SCHEDULE 2 SWAPCLEAR

PART A SWAPCLEAR CONTRACT TERMS

The terms of a registered SwapClear Contract shall include these SwapClear Contract Terms which shall comprise:

- (1) Interpretation;
- (2) Economic Terms;
- (3) Standard Terms; and
- (4) if the SwapClear Contract is a SwapClear STM Contract, the SwapClear STM Terms.

In the event of any inconsistency between the Economic Terms and the Standard Terms, the Standard Terms will prevail. In the event of any inconsistency between the SwapClear STM Terms (where applicable) and either or both of the Economic Terms and the Standard Terms, the SwapClear STM Terms will prevail.

Subject to the Regulations and the Procedures, the Clearing House will use the SwapClear Contract Terms applicable to a SwapClear Contract to calculate the amounts due under the SwapClear Contract to, or from, the Clearing House in accordance with the Procedures.

1. Interpretation

- 1.1 "**ISDA Definitions**" means the 2021 ISDA Interest Rate Derivatives Definitions, as published by the International Swaps and Derivatives Association, Inc. ("**ISDA**") and as amended from time to time, and the same are incorporated by reference herein.
- 1.2 "**ISDA 2008 Inflation Definitions**" means the 2008 ISDA Inflation Derivatives Definitions, as published by ISDA and as amended from time to time, and the same are incorporated by reference herein provided that the italicized sentence at the end of the first paragraph of page 2 of the ISDA 2008 Inflation Definitions shall be replaced with the following: '*Any capitalized term not herein defined, shall have the meaning given to that term in the ISDA Definitions*' and each reference in Section 1.14 of the ISDA 2008 Inflation Definitions to a '*Floating Rate Payer*' shall be replaced with the words '*Floating Amount Payer*'.
- 1.3 Words and expressions used in these SwapClear Contract Terms, which are not defined in the Regulations and the Procedures, but which are defined in the ISDA Definitions or the ISDA 2008 Inflation Definitions shall have the same meaning herein as in the ISDA Definitions or the ISDA 2008 Inflation Definitions as the case may be, unless expressly provided otherwise.
- 1.4 In the event of an inconsistency between the Regulations and the Procedures, and any of the ISDA Definitions or the ISDA 2008 Inflation Definitions, the Regulations and Procedures will prevail. In the event of an inconsistency between the ISDA Definition and the ISDA 2008 Inflation Definitions, the ISDA 2008 Inflation Definitions will (where they are applicable) prevail.

- 1.5 For the avoidance of doubt, the ISDA Definitions are incorporated into the SwapClear Contract Terms of a SwapClear Contract and shall apply to such SwapClear Contract, regardless of whether the particulars of the SwapClear Transaction submitted to the Clearing House and corresponding to such SwapClear Contract identified the ISDA Definitions, the 2006 ISDA Definitions as published by ISDA or the 2000 ISDA Definitions as published by ISDA within such particulars, or did not identify any of them within such particulars.
- 1.6 If the particulars of a SwapClear Transaction use or refer (or used or referred) to a Floating Rate Option that is:
- (a) not HKD-HIBOR-ISDC, NOK-NIBOR-NIBR or CLP-TNA, and that is defined under the 2006 ISDA Definitions or 2000 ISDA Definitions (in each case) as published by ISDA, but not the ISDA Definitions, then the Clearing House will determine (in its discretion) the equivalent Floating Rate Option under the ISDA Definitions and such Floating Rate Option will apply for the purposes of such SwapClear Transaction and any corresponding SwapClear Contract;
 - (b) CLP-TNA, then the Clearing House has determined that the equivalent Floating Rate Option under the ISDA Definitions is CLP-ICP and such Floating Rate Option will apply for the purposes of such SwapClear Transaction and any corresponding SwapClear Contract; or
 - (c) HKD-HIBOR-ISDC or NOK-NIBOR-NIBR, then the Clearing House will determine (in its discretion) the equivalent Floating Rate Option under the ISDA Definitions and such Floating Rate Option will apply for the purposes of such SwapClear Transaction and any corresponding SwapClear Contract.
- 1.7 References in the ISDA Definitions to a "**Transaction**" and references in the ISDA 2008 Inflation Definitions to an "**Index Transaction**" shall be deemed to be references to a "**SwapClear Transaction**" for the purposes of the SwapClear Service.
- 1.8 Except where expressly stated otherwise, all reference to "**Section**" means sections of the ISDA Definitions or the ISDA 2008 Inflation Definitions, as the case may be.
- 1.9 In relation to any amendments to the ISDA Definitions or the ISDA 2008 Inflation Definitions, such ISDA Definitions or ISDA 2008 Inflation Definitions, as amended, shall apply to SwapClear Contracts with immediate effect (without the need for any notice by the Clearing House to SwapClear Clearing Members), except where the Clearing House specifies otherwise by notice to SwapClear Clearing Members. Without limitation, any such notice may provide that an amendment to the ISDA Definitions or the ISDA 2008 Inflation Definitions may take effect so as to apply to SwapClear Contracts registered in a SwapClear Clearing Member's name at such time and in such manner, or not apply at all, as the Clearing House may determine in its discretion, and the accidental omission to give notice under this provision to, or the non-receipt of notice under this provision by, a SwapClear Clearing Member shall not invalidate the effectiveness of the matters specified in such notice.

For the purpose of the General Regulations, SwapClear Contracts and SwapClear Transactions, "Tax" shall mean any present or future tax, levy, impost, duty, charge, assessment, or fee of any nature (including interest, penalties, and additions thereto) that is imposed by any government or other taxing authority.

- 3.4.2 In the event that any payment made by a Clearing Member to the Clearing House under the General Regulations, any SwapClear Contract or any SwapClear Transaction is subject to deduction or withholding (either at the time of such payment or in the future) for or on account of any Tax (other than a Tax that would not have been imposed in respect of such payment but for a present or former connection between the jurisdiction of the government or taxation authority imposing such Tax and the Clearing House), then the Clearing Member shall pay to the Clearing House an amount (such amount, together with any additional amount paid pursuant to Section 3.4.7 of these SwapClear Contract Terms, the "Additional Amount"), in addition to the payment to which the Clearing House is otherwise entitled under the General Regulations, SwapClear Contract or any SwapClear Transaction, necessary to ensure that the net amount actually received by the Clearing House (free and clear of any such deduction or withholding for or on account of any such Tax, whether assessed against the Clearing Member or the Clearing House), will equal the full amount the Clearing House would have received in the absence of any such deduction or withholding

However, a Clearing Member will not be required to pay any Additional Amount to the Clearing House under this Section 3.4.2 to the extent that it would not be required to be paid but for (i) the failure by the Clearing House to provide to the Clearing Member such forms and documents as required under Section 3.4.5 of these SwapClear Contract Terms or the SwapClear Procedures, provided that this clause (i) shall apply only if (A) the relevant Clearing Member has notified the Clearing House in writing of such failure and (B) the Clearing House has failed to provide such forms or documents within five Business Days after the receipt of such notice; or (ii) the failure of a representation made by the Clearing House pursuant to the representations that it is obligated to provide under Section 3.4.10 of these SwapClear Contract Terms to be accurate and true (unless the failure under this clause (ii) would not have occurred but for (A) any action taken by a taxing authority, or brought in a court of competent jurisdiction (regardless of whether such action is taken or brought with respect to the relevant party) or (B) a Change in Tax Law, that in each case occurs after the Clearing House and the Clearing Member provide the representations that they are obligated to provide pursuant to Section 3.4.10 of these SwapClear Contract Terms (or, if applicable, the date that the Clearing House and the Clearing Member amend such representations to account for such Change in Tax Law)) or a failure by the Clearing House to provide the representations that it is obligated to provide pursuant to Section 3.4.10 of these SwapClear Contract Terms.

In the event that the failure under clause (ii) of the preceding paragraph would not have occurred but for the reasons described under subclause (A) or (B) thereof, the Clearing House shall use commercially reasonable efforts to provide to the Clearing Member a new representation (to the extent that it is appropriate) for the purpose of the representations that it is obligated to provide pursuant to Section 3.4.10 of these SwapClear Contract Terms, promptly after the learning of such failure (so long as the provision of such representation would not materially prejudice the legal or commercial position of the Clearing House).

A Clearing Member will also not be required to pay any Additional Amount to the Clearing House under this Section 3.4.2 for any tax (a "FATCA Withholding Tax") imposed under U.S. Internal Revenue Code Sections 1471, 1472, 1473 or 1474 (or any successor sections that are substantially similar) and any U.S. or non-U.S. law, regulation or authoritative guidance promulgated thereunder, or any agreements, treaties, or intergovernmental agreements entered into pursuant thereto, (collectively, the "FATCA Rules") provided that such FATCA Withholding Tax would not have been imposed but for the Clearing House's failure to comply with the FATCA Rules.

Notwithstanding the provisions in this Section 3.4.2, the Clearing House and SwapClear Members agree to renegotiate these regulations where, for reasons beyond the control of the Clearing House, the provisions of FATCA result in payments beneficially owned by the Clearing House becoming subject to FATCA Withholding Tax.

For the purpose of this Section 3.4.2, "Change in Tax Law" means the enactment, promulgation, execution or ratification of, or any change in or amendment to, any law or double tax treaty (or in the application or official interpretation of any law or double tax treaty).

- 3.4.3 If: (i) a Clearing Member is required by Applicable Law, as modified by the practice of any relevant governmental revenue authority, to make any deduction or withholding from any payment made to the Clearing House under the General Regulations, SwapClear Contracts and or any SwapClear Transaction for or on account of any Tax, in respect of which the Clearing Member would be required to pay an Additional Amount to the Clearing House under Section 3.4.2 of these SwapClear Contract Terms; (ii) the Clearing Member does not so deduct or withhold; and (iii) a liability resulting from such Tax is assessed directly against the Clearing House, then, except to the extent the Clearing Member has satisfied or then satisfies the liability resulting from such Tax, the Clearing Member will promptly pay to the Clearing House the amount of such liability (including any related liability for interest, penalties and costs).
- 3.4.4 If: (i) the Clearing House is required by Applicable Law, as modified by the practice of any relevant governmental revenue authority, to make any deduction or withholding from any payment made to a Clearing Member under the General Regulations, SwapClear Contracts and or any SwapClear Transaction for or on account of any Tax; (ii) the Clearing House does not so deduct or withhold; and (iii) a liability resulting from such Tax is assessed directly against the Clearing House, then, except to the extent the Clearing Member has satisfied or then satisfies the liability resulting from such Tax, the Clearing Member will promptly pay to the Clearing House the amount of such liability (including any related liability for interest, penalties and costs).

- 3.4.5 The Clearing House shall provide to each Clearing Member (i) the tax forms and documents specified in Section 3.4.10 of these SwapClear Contract Terms and Section 1.2 of the SwapClear Procedures and (ii) any other form or document reasonably requested in writing by the Clearing Member in order to allow the Clearing Member to make a payment under the General Regulations, SwapClear Contract, or any SwapClear Transaction without deduction or withholding for or on account of any Tax or with such deduction or withholding at a reduced rate (so long as the completion, execution or submission of such form or document as described in this clause (ii) would not materially prejudice the legal or commercial position of the Clearing House).
- 3.4.6 The Clearing House shall request from each Clearing Member: (i) the tax forms and documents specified in Section 3.4.10 of these SwapClear Contract Terms and Section 1.2 of the SwapClear Procedures and (ii) any other form or document reasonably requested in order to allow the Clearing House to make a payment under the General Regulations, SwapClear Contracts and or any SwapClear Transaction without deduction or withholding for or on account of any Tax or with such deduction or withholding at a reduced rate. For the avoidance of doubt, in the event that any payment made by the Clearing House to a Clearing Member under the General Regulations, SwapClear Contracts and or any SwapClear Transaction is subject to deduction or withholding (either at the time of such payment or in the future) for or on account of any Tax, the Clearing House is not required to pay any additional amount in respect of such deduction or withholding. the Clearing House will, at the Clearing Member's expense, use commercially reasonable efforts to cooperate with a Clearing Member to seek any credit or remission or other relief available with respect to any such Tax so deducted or withheld (so long as such cooperation would not, in the Clearing House's judgment, materially prejudice the legal or commercial position of the Clearing House).
- 3.4.7 Each Clearing Member will pay any stamp, registration, documentation, excise, sales or value added Tax or any other similar Tax levied or imposed upon it or in respect of its execution or performance of any agreement, contract or transaction in connection with the General Regulations and SwapClear Contract and will indemnify the Clearing House against any such stamp, registration, documentation, excise, sales or value added Tax (to the extent that the Clearing House is not able, in the Clearing House's commercially reasonable judgment, to reclaim or recover such value added Tax) or any other similar Tax levied or imposed upon the Clearing House or in respect of the Clearing House's execution or performance of any agreement, contract or transaction in connection with the General Rules. Any payment required to be made by a Clearing Member to the Clearing House under this Section 3.4.7 shall include an additional amount equal to any Tax levied or imposed on the Clearing House as a result of the receipt of any payment under this Section 3.4.7.
- 3.4.8 Each Clearing Member shall promptly notify the Clearing House in writing upon learning that any payment made by the Clearing House to the Clearing Member or by the Clearing Member to the Clearing House under the General Regulations and is subject to any Tax, other than any Tax imposed or levied based on the net income of the Clearing Member or the Clearing House, as applicable.
- 3.4.9 Clearing Members shall not have any termination or other special rights in respect of SwapClear Transactions as a result of the occurrence of adverse Tax consequences,

whether relating to a Change in Tax Law or otherwise, it being understood that Clearing Members may, in accordance with the General Regulations, submit for clearing Original Contracts with other Clearing Members (including with any affiliate that is a Clearing Member) that, if accepted, would offset its SwapClear Transaction.

3.4.10 The Clearing House shall provide such representations and documentation as are required and reasonably requested by each Clearing Member such that each Clearing Member can make payments to the Clearing House without deduction or withholding being applicable.

3.5 ***Payment of Stamp Tax***

Each SwapClear Clearing Member will pay any Stamp Tax or duty levied or imposed upon it in respect of any SwapClear Contract to which it is a party by a jurisdiction in which it is incorporated, organised, managed and controlled, or considered to have its seat, or in which a branch or office through which it is acting is located ("**Stamp Tax Jurisdiction**") or by any other jurisdiction, and will indemnify the Clearing House against any Stamp Tax or duty levied or imposed upon the Clearing House by any such Stamp Tax Jurisdiction or by any other jurisdiction in respect of any SwapClear Contract registered by the Clearing House and to which that SwapClear Clearing Member is a party.

3.6 ***Payments under a SwapClear Contract***

Payments under, and in respect of, a SwapClear Contract shall be calculated by the Clearing House and shall be made by, or to, the SwapClear Clearing Member in accordance with the provisions of the Procedures.

3.7 ***Regulations***

A SwapClear Contract shall be subject to the Regulations and the Procedures, which shall form a part of its terms. In the event of any inconsistency between these SwapClear Contract Terms and the Regulations and the Procedures, the Regulations and the Procedures will prevail.

3.8 ***Governing Law***

Each SwapClear Contract shall be governed by and construed in accordance with the laws of England and Wales and the parties irrevocably agree for the benefit of the Clearing House that the courts of England and Wales shall have exclusive jurisdiction to hear and determine any action or dispute which may arise here from. The SwapClear Clearing Member party hereto irrevocably submits to such jurisdiction and agrees to waive any objection it might otherwise have to such jurisdiction, save that this submission to the jurisdiction of the courts of England and Wales shall not (and shall not be construed so as to) limit the right of the Clearing House to take proceedings in any other court of competent jurisdiction, nor shall the taking of action in one or more jurisdictions preclude the Clearing House from taking action in any other jurisdiction, whether concurrently or not.

3.9 ***Third Party Rights***

A person who is not a party to this SwapClear Contract shall have no rights under or in respect of it. Rights of third parties to enforce any terms of this SwapClear Contract pursuant to the Contracts (Rights of Third Parties) Act 1999 are expressly excluded.

3.10 **Effective Date – Standard Coupon Inflation Swaps**

In the event a SwapClear Transaction that is a standard coupon inflation swap is presented for registration with an inflation leg Effective Date that is not the first Business Day of the relevant Reference Month, the Clearing House shall register such SwapClear Transaction as a SwapClear Contract with an inflation leg Effective Date that is the first Business Day of the relevant Reference Month.

4. **SwapClear STM Terms**

The following terms are designated as the SwapClear STM Terms of a registered SwapClear STM Contract:

4.1 **Net Present Value**

- (a) The Clearing House shall, at least once per Business Day, determine the net present value of this SwapClear STM Contract in such manner and at such times as may be provided in the Procedures.
- (b) Immediately upon the Clearing House making such a determination of the net present value of this SwapClear STM Contract:
 - (i) an amount (determined in accordance with Regulation 57A) of cash may become due and payable by the SwapClear Clearing Member or the Clearing House (as applicable, and as determined in accordance with Regulation 57A) under these SwapClear STM Terms; and
 - (ii) the net present value of this SwapClear STM Contract shall for all purposes be reset to zero.
- (c) The amount (if any) referred to in (b)(i) above shall immediately become due and payable by the relevant party under the SwapClear STM Terms applicable to this SwapClear STM Contract and shall be made in such manner and at such times as may be provided in the Procedures.

4.2 **Price Alignment Amount**

- (a) The Clearing House shall, at least once per Business Day, determine the Price Alignment Amount in respect of this SwapClear STM Contract in such manner and at such times as may be provided in the Procedures.
- (b) Immediately upon the Clearing House making such a determination of the Price Alignment Amount in respect of this SwapClear STM Contract an amount (determined in accordance with Regulation 57A) of cash may become due and payable by the SwapClear Clearing Member or the Clearing House (as applicable, and as determined in accordance with Regulation 57A) under these SwapClear STM Terms.
- (c) The amount (if any) referred to in (b) above shall immediately become due and payable by the relevant party under the SwapClear STM Terms applicable to this SwapClear STM Contract and shall be made in such manner and at such times as may be provided in the Procedures.

Payments in respect of which such deduction or withholding is required to be made, by the ForexClear Clearing Member, shall be increased to the extent necessary to ensure that, after the making of the required deduction or withholding, the Clearing House receives and retains (free from any liability in respect of such deduction or withholding) a net sum equal to the sum which it would have received and so retained had no such deduction or withholding been made or required to be made.
- (b) All payments due under a ForexClear NDF Contract shall be made by the Clearing House free and clear and without deduction or withholding for or on account of any tax. Payments in respect of which such deduction or withholding is required to be made, by the Clearing House, shall be increased to the extent necessary to ensure that, after the making of the required deduction or withholding, the ForexClear Clearing Member receives and retains (free from any liability in respect of such deduction or withholding) a net sum equal to the sum which it would have received and so retained had no such deduction or withholding been made or required to be made.

4.3 ***Payment of Stamp Tax***

Each ForexClear Clearing Member will pay any Stamp Tax or duty levied or imposed upon it in respect of any ForexClear NDF Contract to which it is a party by a jurisdiction in which it is incorporated, organised, managed and controlled, or considered to have its seat, or in which a branch or office through which it is acting is located ("**Stamp Tax Jurisdiction**") or by any other jurisdiction, and will indemnify the Clearing House against any Stamp Tax or duty levied or imposed upon the Clearing House by any such Stamp Tax Jurisdiction or by any other jurisdiction in respect of any ForexClear NDF Contract registered by the Clearing House and to which that ForexClear Clearing Member is a party.

4.4 ***Discontinuation of a Settlement Rate Option***

If:

- (a) the administrator of a benchmark that is a Settlement Rate Option has publicly announced that it will discontinue publication of the benchmark (“**Discontinued Rate**”); and
- (b) ISDA has published a “Multilateral Amendment Agreement” to amend certain transactions to use an alternative benchmark (“**Substitute Rate**”) in the lieu of the Discontinued Rate on and from a specified date (“**Effective Date**”),

then, in respect of a ForexClear NDF Contract in respect of which a Settlement Rate has not been determined as at the Effective Date and which references the Discontinued Rate (“**Affected ForexClear NDF Contract**”), the Clearing House may, by written notice to all ForexClear Clearing Members, amend the Settlement Rate Option of each Affected ForexClear NDF Contract to reference the Substitute Rate with effect on and from the Effective Date and specify such incidental amendments to the Affected ForexClear NDF Contract as may be required.

The terms “ISDA”, “Settlement Rate Option” and “Valuation Date” have the meanings given to them by the ForexClear NDF Contract Terms.

The accidental omission to give notice under this provision to, or the non-receipt of notice by, any ForexClear Clearing Member shall not invalidate the amendment with which the notice is concerned.

5. **General Standard Terms – Non-EMTA Currencies (“General Standard Terms – Non-EMTA Currencies”)**

The following terms are designated as General Standard Terms – Non-EMTA Currencies of a registered ForexClear NDF Contract – Non-EMTA Currencies:

5.1 ***Valuation Postponement for Price Source Disruption***

“**Valuation Postponement**” means, for purposes of obtaining a Settlement Rate, that the Settlement Rate will be determined on the Business Day first succeeding the day on which the Price Source Disruption ceases to exist, unless the Price Source Disruption continues to exist (measured from the date, that, but for the occurrence of the Price Source Disruption, would have been the Valuation Date) for a consecutive number of calendar days equal to the Maximum Days of Postponement. In such event, the Settlement Rate will be determined on the next Business Day after the Maximum Days of Postponement as being the applicable Fallback Reference Price.

5.2 ***Fallback Reference Price***

“**Fallback Reference Price**” means the Clearing House calculated end of day spot price for the applicable Currency Pair from the previous end of day margin run.

Each ForexClear NDF Contract, and any non-contractual obligations arising out of or in connection with it, shall be governed by and construed in accordance with the laws of England and Wales and the parties irrevocably agree for the benefit of the Clearing House that the courts of England and Wales shall have exclusive jurisdiction to hear and determine any action or dispute which may arise here from. The ForexClear Clearing Member party hereto irrevocably submits to such jurisdiction and agrees to waive any objection it might otherwise have to such jurisdiction, save that this submission to the jurisdiction of the courts of England and Wales shall not (and shall not be construed so as to) limit the right of the Clearing House to take proceedings in any other court of competent jurisdiction, nor shall the taking of action in one or more jurisdictions preclude the Clearing House from taking action in any other jurisdiction, whether concurrently or not.

5. **Conversion Factors**

5.1 Conversion Factor – Long Gilt Future

The Conversion Factor is calculated by the Clearing House, according to the formula shown below, and is used to determine the clean price of the Deliverable Bond upon delivery, by multiplying the Final Settlement Price of the Deliverable Bond Future and the Conversion Factor of the Deliverable Bond.

$$CF = \frac{P(x)}{100}$$

$$P(x) = \frac{1}{\left(1 + \frac{x}{2}\right)^{\frac{r}{s}}} \left[d_1 + \frac{d_2}{\left(1 + \frac{x}{2}\right)} + \frac{c}{x} \left(\frac{1}{\left(1 + \frac{x}{2}\right)} - \frac{1}{\left(1 + \frac{x}{2}\right)^n} \right) + \frac{100}{\left(1 + \frac{x}{2}\right)^n} \right] - AI$$

where:

CF the conversion factor of the Deliverable Bond;

$P(x)$ the clean price per £100 nominal of the Deliverable Bond priced at a yield of $x\%$ pa, being the notional coupon of the future, for settlement on the delivery date of the future contract;

- d_1 the cash flow (which could be zero) due on the following quasi-coupon date, per £100 nominal of the Deliverable Bond. d_1 will be zero if the first day of the Delivery Month occurs in the ex-dividend period or if the Deliverable Bond has a long first coupon period and the first day of the Delivery Month occurs in the first full coupon period. d_1 will be less than $c/2$ if the first day of the Delivery Month falls in a short first coupon period. d_1 will be greater than $c/2$ if the first day of the Delivery Month falls in a long first coupon period and the first day of the Delivery Month occurs in the second full coupon period;
- d_2 the cash flow due on the next but one quasi-coupon date, per £100 nominal of the Deliverable Bond. d_2 will be greater than $c/2$ if the first day of the Delivery Month falls in a long first coupon period and in the first full coupon period. In all other cases, $d_2 = c/2$;
- x the notional coupon of the Deliverable Bond;
- c the annual coupon per £100 nominal of the Deliverable Bond;
- r the number of calendar days from, and including, the first day of the Delivery Month to, but excluding, the next quasi-coupon date;
- s the number of calendar days in the full coupon period in which the first day of the Delivery Month occurs;
- n the number of full coupon periods between the following quasi-coupon date and the redemption date; and
- AI the accrued interest per £100 nominal of the Deliverable Bond calculated using the formulae set out below:

If the first day of the Delivery Month occurs in a standard coupon period and on or before the ex-dividend date:

$$AI = \frac{t}{s} \times \frac{c}{2}$$

If the first day of the Delivery Month occurs in a standard coupon period and after the ex-dividend date:

$$AI = \left(\frac{t}{s} - 1 \right) \times \frac{c}{2}$$

If the first day of the Delivery Month occurs in a short first coupon period and on or before the ex-dividend date:

$$AI = \frac{t^*}{s} \times \frac{c}{2}$$

If the first day of the Delivery Month occurs in a short first coupon period and after the ex-dividend date:

$$AI = \frac{(t^* - r)}{s} \times \frac{c}{2}$$

If the first day of the Delivery Month occurs in a long first coupon period and during the first full coupon:

$$AI = \frac{u}{s_1} \times \frac{c}{2}$$

If the first day of the Delivery Month occurs in a long first coupon period and during the second full coupon period and on or before the ex-dividend date:

$$AI = \left(\frac{r_1}{s_1} + \frac{r_2}{s_2} \right) \times \frac{c}{2}$$

If the first day of the Delivery Month occurs in a long first coupon period and during the second full coupon period and after the ex-dividend date:

$$AI = \left(\frac{r_2}{s_2} - 1 \right) \times \frac{c}{2}$$

where:

- c the annual coupon per £100 nominal of the Deliverable Bond;
- t the number of calendar days from, and including, the last coupon date up to but excluding the first day of the Delivery Month;
- s the number of calendar days in the full coupon period in which the first day of the Delivery Month occurs;
- t* the number of calendar days from, and including, the issue date of the deliverable bond to, but excluding, the first day of the Delivery Month;
- r the number of calendar days from, and including, the issue date of the Deliverable Bond up to, but excluding, the next quasi-coupon date;
- u the number of calendar days from and including the issue date of the Deliverable Bond up to but excluding the first day of the Delivery Month;
- s₁ the number of days in the full coupon period in which the issue date of the Deliverable Bond occurs;
- s₂ the number of calendar days in the next full coupon period after the full coupon period in which the issue date of the Deliverable Bond occurs;
- r₁ the number of calendar days from and including the issue date of the Deliverable Bond up to but excluding the next quasi-coupon date; and
- r₂ the number of calendar days from and including the quasi-coupon date after the issue date of the Deliverable Bond up to but excluding the first day of the Delivery Month which falls in the next coupon period after the full coupon period in which the issue date occurs.

5.2 Conversion Factor – Schatz / BOBL / Bund Futures

The Conversion Factor is calculated by the Clearing House, according to the formula shown below, and is used to determine the clean price of the Deliverable Bond upon delivery, by multiplying the Final Settlement Price of the Deliverable Bond Future and the Conversion Factor of the Deliverable Bond.

$$CF = \frac{P(x)}{100}$$

$$P(x) = \frac{1}{(1+x)^{\frac{r}{s}}} v \left[d_1 + \frac{c}{x} \left(1 - \frac{1}{(1+x)^n} \right) + \frac{100}{(1+x)^n} \right] - AI$$

where:

- CF the conversion factor of the Deliverable Bond;
- $P(x)$ the clean price per €100 nominal of the deliverable bond priced at a yield of $x\%$ pa, being the notional coupon of the future, for settlement on the delivery date of the future contract;
- x the notional coupon of the future;
- c the annual coupon per €100 nominal of the Deliverable Bond;
- r the difference of next coupon date and delivery date plus the number of days in the time span between one and two years prior to the next coupon date;
- s the number of days between next coupon date and one year prior to next coupon date if delivery date occurs before one year prior to next coupon date, or otherwise the number of calendar days in the full coupon period in which the first day of the Delivery Month occurs;
- d_1 the fraction of the coupon c given by the ratio of the number of days between next coupon date and last coupon date to the number of days between the next coupon date and one year prior to next coupon date;
- n the number of full coupon periods between the next coupon date and the redemption date of the deliverable bond; and
- AI the accrued interest per €100 nominal of the Deliverable Bond calculated using as follows:

$$AI = c v \left[\frac{\text{one year before next coupon date} - \text{last coupon date}}{d_{act}} - \frac{\text{one year before next coupon date} - \text{delivery date}}{d_{act}} \right]$$

where:

- d_{act} is the calendar daycount of the calendar year preceding the next coupon date if the numerator in the corresponding year fraction is negative and is the calendar daycount of the calendar year preceding the date that is one year prior to the next coupon date.
